

# FLOWERS 4 FOOD 4 KIDS

Foertmeyer and Sons Greenhouse wishes to apologize to anyone in the Clyde-Green Springs, Fremont, Fostoria, and Gibsonburg School Districts who went to pick up their plants on May 26th and could not get their order fulfilled.

We had 2 locations to deliver on the 26th and our drivers loaded the wrong orders on their trucks. We are currently working on a plan to get everyone their plants. We will contact you shortly with a solution.

Again, we apologize for the inconvenience. We are grateful for your support in the Flowers 4 Food 4 Kids fundraiser.
